kitso Senwedi

FULL-STACK WEB DEVELOPER

About Me

My name is Kitso Senwedi, And I'm a Enthusiastic and highly motivated freelance web developer with a strong foundation in Information Technology and a passion for creating innovative and user-friendly websites. A recent graduate with a Bachelor's degree in Information Technology, I bring fresh ideas and a solid technical skill set to every project.
As a recent graduate and freelance web developer, I am eager to contribute my technical expertise and dedication to delivering high-quality web solutions. I am open to new opportunities and excited to take on challenging projects to further expand my experience and make a positive impact in the web development field.
